EVENT HISTORY

In 1997, Roger Hickey and David Boyer created the Mr. International Rubber contest to support the fledgling US rubber scene. Since that time, the contest has seen steady progress to become a truly international event and contest weekend.

Mr. International Rubber celebrates 22 years of growth and launches MIR past the half way mark in it's second shiny, sleazy, and sweaty decade of rubbery indulgence. In 2009, the contest was purchased by two members of the rubber community under a new entity, MIR Contest, LLC. To avoid accidental violation of this policy, and possible removal from the contest, all contestants and judges should display their identification badges at all times.

WEEKEND PARTICIPATION

Contestants are strongly encouraged to participate in all of the weekend events. The Mr. International Rubber Contest is all about having a good time and promoting the rubber fetish scene. Contestants are judged throughout the weekend by both judges and attendees reflecting in their final contest scores.

CONTEST JUDGING METHOD

A panel of seven (7) judges representing leaders in the international rubber/latex community scores Mr. International Rubber contestants. Judging is made in five (5) categories using a combined Olympic scoring system in the categories and points outlined below. The contest also involves one audience choice component which is added to the judge's scores.

INTERVIEW – (maximum 1000 points, up to 200 points per judge, Olympic scoring)

Each contestant will meet with the judging panel offstage and in private, prior to the contest to answer questions about the contestant's interest in rubber, BDSM, fetishes, knowledge, willingness and ability to represent the title. Interviews will last no longer than 10 minutes each, therefore it is important to listen to the question being asked by the judges and respond in a concise and complete manner so that all judges have a chance to ask questions of the contestant. If the judges would like to know more, they will ask for additional information.

RUBBER IMAGE – (maximum 500 points, up to 100 points per judge, Olympic scoring)

Each contestant will appear onstage and be introduced to the audience by the Emcee using information provided on the completed contestant application. Judging in this category is based on how you present yourself as a "rubberman."

RUBBER FANTASY – (maximum 500 points, up to 100 points per judge, Olympic scoring)

Each contestant will appear on stage for 90 seconds to act out their rubber fantasy. Judging in this category is based on the contestants' creativity and ability to convey the sensual and sexual nature of the rubber fetish. Contestants are allowed to utilize one additional person (previously selected) on stage with them along with any props (approved prior to competition) that they can carry on stage and off when they are finished. Contestants are allowed to provide their own music to be played during their fantasy or utilize the microphone. If Contestants do not provide their own music, and request music, a selection will be played by our audio engineer.

ONSTAGE QUESTION – (maximum 500 points, up to 100 points per judge, Olympic scoring)

Each contestant will answer a question onstage. Judging in this category is based on how well you can command the audience's attention as well as how well you respond to the question.

MYSTERY BAG - (maximum 500 points, up to 100 points per judge, Olympic)

Each contestant will come onstage to select one mystery bag from local Chicago shopping destinations. Inside each bag are multiple "non-fetish" items, which the contestant must find some creative use for in a fetish scene. Judging in this category is based on a contestant's creativity, knowledge of safe play practices and spontaneity. This year's theme "The Art of Rubber" plays into this category. Each contestant will be creating their interpretation of art with the Demo Bottom and will then title their human art work.

AUDIENCE VOTE - (Maximum 100 points total, spread across all contestants, non-Olympic)

Audience members will assist in the selection of Mr. International Rubber by casting a ballot for the individual they believe should be Mr. International Rubber. Points will be awarded based on the percentage of the total votes that each contestant receives. (IE: Contestant "A" receives 50 votes out of 200 total cast and thus receives 25 points from the Audience Vote.)

In the Olympic scoring system, the high and low score for each contestant and in each category, is discarded. The remaining scores are totaled for each contestant. The audience vote is added to the judges' total for the final score. The contestant whose aggregate score is highest will be declared the winner. The contestant whose scores are second and third highest will be declared the first and second runner-up respectively.

In the event of a tie under the total scoring system, the Audience Vote category will be eliminated and results re-tabulated to determine a winner.

In the event, there are only four contestants, only a winner and first runner up will be declared and have prizes awarded.

In the event of any dispute regarding the tallying of the contest, MIR Contest, LLC shall make the final determination of the winner.

CONTESTANT SUGGESTIONS

The Mr. International Rubber Contest and Rubber Weekend are all about having a good time, socializing with fellow fetish community members and promoting the rubber fetish.

Contestants are encouraged to participate in weekend activities to be seen as an active member of the fetish community. We try our best to allow contestants enough free time to participate and be seen during the weekend while fulfilling the requirements to produce a contest.

During the MIR contest, we encourage the contestants to have fun and entertain the audience. We encourage you to work the audience and judges so that you will stand out on stage.

During the contest, contestants are encouraged to demonstrate different rubber fetish looks representing the different judged categories. Time is scheduled during the contest to allow contestants time for gear and look changes. Assistance is available from the Contestant Wrangler staff or help from fellow contestants.

Make sure that you come prepared with back up outfits and gear in case accidents or blow-outs happen. Bring your own lube and shine materials and remember to clean up after yourself.

If you have any questions please feel free to contact the Contestant Wrangler Craig Neumann at: wrangler@mirubber.com
